Counsel,

We write for two reasons. First attached please find a copy of the subpoena that we will be serving.

Second, a link to Defendant's supplemental document production can be found here:

<https://blankromellp.sharefile.com/d-sc44aaec8063642d9ace79ec0183b6b99>

The bates range for this production is CCM_000072 - CCM_000072, and these documents have been designated as "HIGHLY CONFIDENTIAL – SUBJECT TO PROTECTIVE ORDER."

When you have access to the file, please select the zip file you will need to download it prior to extracting the files.

Once the zip file has been downloaded, you'll need to use a program like 7zip or WinZip to extract the production files.

Right-click the zip file and choose your extraction option.

Here, you will be prompted to enter a password, which is 31~PtE:QHh1+
